IN THE VINEYARDS – 2014

The 2014 growing season was our third exceptional vintage in a row, and one of our earliest harvests on record, with our final grapes arriving at the winery on October 14 - almost two weeks earlier than normal. Though the vintage presented drought conditions, perfectly timed spring rains were just what the vines needed to set an excellent crop. After an early budbreak, ideal summer weather allowed us to harvest all of our varieties at optimum ripeness, resulting in wines with alluring aromatics and beautiful fruit complexity.

SENSORY PROFILE

- The aromas leap from the glass, displaying fetching notes of orange blossom, white peach and citrus fruit
- On the palate, this bone dry rosé offers alluring layers of strawberry, orange zest and lime leaf, all underscored by a nuanced hint of earthy minerality
