2022 NAPA VALLEY CABERNET SAUVIGNON TO KALON VINEYARD

Sourced from one of Napa Valley's most revered sites, Beckstoffer To Kalon Vineyard stands as a benchmark of pedigree and distinction. Originally part of H.W. Crabb's historic 240-acre To Kalon Vineyard, first planted in 1868 and once known as Hermosa Vineyard, this site has earned enduring acclaim for its exceptional quality and legacy. The Beckstoffer family's meticulous stewardship of their prized parcels preserves the vineyard's heritage while continually elevating its expression. Each vintage reflects the harmony of history, place, and precision, resulting in wines that embody the timeless excellence of To Kalon.

VINTAGE NOTES

Winter and spring provided ample rain, which allowed the vines to set a generous crop with excellent canopies. Budbreak arrived a little over a week early, and we enjoyed warm, steady weather throughout spring and summer. We began picking Semillon, Sauvignon Blanc, and some Merlot as early as mid-August, but the first big push began after a Labor Day heat event, when our generous canopies paid dividends, helping shade the grapes. After a busy few weeks, a cool spell allowed the remaining grapes time to mature. To counter the impact of modest mid-September rains, we applied a careful fruit drop, and were equally diligent during sorting. Overall, harvest lasted eleven weeks, delivering wines with excellent concentration, supple tannins, lovely finesse and dynamic acidity.

WINEMAKING NOTES

The 2022 To Kalon Cabernet Sauvignon captures the depth and grandeur of this legendary vineyard with striking intensity, polish, and a subtle Old-World flair. Aromas of cassis, wild blueberry, black currant, and black raspberry are layered with toasted clove and star anise. The palate shows rich concentration, with huckleberry jam, Santa Rosa plum, and brambly blackberry, supported by a dense, juicy texture and finely structured tannins. After initial aging, 85% was aged in neutral red wine barrels, while 15% was flashed in one-year white wine barrels to enhance texture and creaminess. Sourced from Beckstoffer To Kalon and crafted with precision, it finishes long with cocoa powder, hazelnut, fig, and a subtle earthy edge.
