

CANVASBACK®

2019 WALLA WALLA VALLEY CABERNET SAUVIGNON

Home to many of the Pacific Northwest's oldest and most acclaimed vineyards, grapes have been grown in Walla Walla Valley since the 1850s. With deep, loamy soils and a climate that features a significant swing between day and nighttime temperatures, Walla Walla Valley offers ideal conditions for growing and producing an elegant and beautifully aromatic Cabernet Sauvignon, with bright acidity.

VINTAGE NOTES

Heavy winter snowfall in 2019 led to well-irrigated soils and a late budbreak. The relatively cool weather continued throughout spring and summer with temperatures in the high 80s to low 90s, and only a few days over 100° F. This allowed for beautiful flavor development balanced by ideal acid retention, producing elegant and age-worthy wines with lovely energy and character, supple tannins and bright, juicy flavors.

WINEMAKING NOTES

Luxurious and beautifully aromatic, the bouquet of this robust Cabernet Sauvignon reveals fascinating notes of loamy earth and wet-rock minerality, with tantalizing layers of wild blackberry, bramble, plum and cassis, as well as oak-inspired hints of graham cracker and mocha. On the palate it is ripe and powerful, with silky, mouth-filling dark berry and damson plum flavors that carry the wine to a long, driving finish.
