

CALERA

2016 Mt. Harlan Pinot Noir *Ryan Vineyard*

Calera's Mt. Harlan Vineyards are located in the Gavilan Mountains 25 miles east of the Monterey Bay. The site was chosen for its limestone soils and ideal climate. At an average elevation of 2,200 feet it is among the highest and coolest vineyard sites in California.

In the Vineyards

After several years of drought, 2016 brought a return to normal winter rainfall levels, which replenished the Mt. Harlan vineyards and set the pace for a slightly early, but near-ideal, growing season. A warm spring led to a relatively early budbreak, followed by warm, sunny summer. While summer provided abundant sunshine for ripening the grapes, mild nights ensured that they ripened perfectly, with excellent acid and sugar levels. As a result, our 2016 Pinot Noirs are lush and balanced, with beautifully articulated flavors.

Comments from the Winemaker

As the vines at Ryan Vineyard approach 20 years of age, they continue to yield an ever more complex Pinot Noir, offering alluring layers of red cherry and sassafras, along with hints of thyme and sage. The ripe cherry notes are echoed on the palate, where they are underscored by notes of cedar and vanilla from aging in French oak, and firm, fine-grained tannins that provide lovely weight and structure.

Varietal Content

100% Pinot Noir

Harvest Information

Appellation: Mt. Harlan

Harvest Dates: September 12 – October 1

Average Sugar at Harvest: 25.5° Brix

Cooperage

100% French oak

Barrel Aging: 17 months

30% new, 20% second vintage, 50% neutral

Production and Technical Data

Alcohol: 14.9%

0.63 g/100 ml titratable acidity

16 days fermentation at 58°F, 92°F, 61°F

pH: 3.71
