

CALERA

2017 Mt. Harlan Pinot Noir *Ryan Vineyard*

Calera's Mt. Harlan Vineyards are located in the Gavilan Mountains 25 miles east of the Monterey Bay. The site was chosen for its limestone soils and ideal climate. At an average elevation of 2,200 feet it is among the highest and coolest vineyard sites in California.

In the Vineyards

A wet winter, with more than double our average annual rainfall, made for very happy vineyards in 2017. While budbreak arrived slightly later than usual, warm spring weather led to excellent fruit sets at our Mt. Harlan vineyards, with above-average yields for both Pinot Noir and our white varieties. Thanks to the abundant early season rains, and Mt. Harlan's high elevation and marine-influenced climate, our estate vineyards weathered a significant Labor Day heat event wonderfully, producing complex and elegant wines, with beautifully balanced acids and sugars.

Comments from the Winemaker

On the nose, inviting aromas of jasmine, yellow plum and cherry hard candy beckon a first sip. As the wine unfurls on the palate, the flavors grow deeper and more complex, offering layers of dark cherry, cola and black licorice that glide across soft, round tannins to a lush, lingering finish.

Varietal Content

100% Pinot Noir

Harvest Information

Appellation: Mt. Harlan

Harvest Dates: September 19 – October 6

Average Sugar at Harvest: 25.4° Brix

Cooperage

100% French oak
