

# CALERA

## 2019 MT. HARLAN PINOT NOIR SELLECK VINEYARD

Calera's Mt. Harlan Vineyards are located in the Gavilan Mountains 25 miles east of the Monterey Bay. The site was chosen for its limestone soils and ideal climate. At an average elevation of 2,200 feet it is among the highest and coolest vineyard sites in California.

### VINTAGE NOTES

While a cool, wet winter and spring on Mt. Harlan led to a late budbreak in our vineyards, moderate summer temperatures with no late-season heat events ensured that the fruit enjoyed abundant hangtime. Harvest began in late September and continued throughout October, resulting in elegant and age-worthy whites with lovely underlying power, and graceful and dynamic reds with complex layers of bright fruit and savory spice.

### WINEMAKING NOTES

Showcasing the power and poise that make the 1975 Pinot Noir plantings at Selleck Vineyard so remarkable, this gorgeous wine offers vibrant aromas of pomegranate, raspberry and Rainier cherry along with a hint of sweet saddle leather. On the palate, it is bright and beautifully acid-driven, with an energetic mouthfeel that carries the wine to a long, lavish finish.

### WINEMAKING

APPELLATION Mt. Harlan

VINEYARD Selleck Vineyard

VARIETAL COMPOSITION 100% Pinot Noir

OAK PROFILE & AGING Aged 18 months in 100% French oak  
30% new, 70% neutral

ALCOHOL 14.5%

PH 3.76

ACIDITY 0.64 g/100 ml
