

2022 MT. HARLAN PINOT NOIR RYAN VINEYARD

Calera's Mt. Harlan Vineyards are located in the Gabilan Mountains 25 miles east of the Monterey Bay. Selected for its limestone soils and ideal climate, this site's average elevation of 2,200 feet makes it one of California's highest and coolest vineyards.

VINTAGE NOTES

The 2022 vintage from the majestic hills of Mt. Harlan reflects the character of an extraordinary growing season, yielding profoundly robust yet dynamic wines with concentrated flavors and impeccable balance. Despite another year of drought, two much-needed winter rain events brought a total of 12 inches of rainfall, nurturing the vines for an impressive vintage. Moderate spring temperatures ensured ideal budbreak, followed by a summer of abundant sunshine and temperatures ranging from the upper 70s to low 80s. These conditions produced wines of remarkable quality, destined to be celebrated for years to come.

WINEMAKING NOTES

The 2022 Ryan Vineyard Pinot Noir is vibrant, layered, and elegantly structured, with enticing aromas of black cherry, allspice, and an earthy warmth. On the palate, rich flavors of blueberry, blackberries, and ripe red plum are underscored by sleek, age-worthy tannins that carry the wine to a long, focused finish.

WINEMAKING

APPELLATION Mt. Harlan
