V I N E Y A R D S

2019 NAPA VALLEY RED WINE MONITOR LEDGE VINEYARD

Monitor Ledge is named for an outcropping of rock in the mountains overlooking the vineyard and has been an important component of Duckhorn Vineyards wine blends since 1985. Located on the alluvial fan of Selby Creek and featuring lean, well-draining soils that force the small berry-producing vines to struggle, Monitor Ledge benefits from excellent sun exposure that consistently produces ideal ripening. This unique wine displays exceptional intensity and structure alongside rich dark berry elements and complex barrel flavors.

VINTAGE NOTES

2019 brought another exceptional vintage to Napa Valley, resulting in wines with alluring polish and poise! The season began with a wet winter followed by a mild spring. While this led to a slightly later-than-normal start to the season, ideal summer weather with no significant heat spikes ensured ideal flavor development, yielding complex and vibrant whites, and refined reds with elegant tannins, enticing aromatics and beautiful fruit flavors.

WINEMAKING NOTES

This lush and alluring wine reveals aromas of ripe mixed berries, anise, black tea and graham cracker crust. On the palate it bursts with a medley of juicy red and black fruit layers, underscored by firm, dusty tannins and seamlessly integrated oak, all of which carry the flavors to a long, harmonious finish.
